Cytech Global Pte Ltd

Cytech Global Pte Ltd and Ecliptek Corporation Signed Distribution Agreement for ASEAN Countries and India

February 1, 2010 — Cytech Global Pte Ltd, a wholly owned subsidiary of Cytech Technology Ltd who is one of the leading technical distributors of semiconductors in Asia, has announced today that it has signed a distribution agreement with Ecliptek Corporation, a leading manufacturer of crystals and oscillators headquartered in the United States, for ASEAN countries and India. Cytech Global is now an authorized Ecliptek distributor in Singapore, Malaysia, Thailand, Philippines, Indonesia, Vietnam and India. This expanded agreement complements Ecliptek's existing distribution network in the South Asia Pacific region.

“We are honored to have the opportunity to distribute Ecliptek products in ASEAN countries and India,” said YM Gui, President of Cytech Global. “With this new partnership, we look forward to expanding our complimentary product line card, by providing a comprehensive offering of crystals and oscillators to our valued customers.”

"Cytech Global is strategically advantageous to Ecliptek, based on its demand creation focus and professional sales force. We are pleased to join forces with them to extend our reach to customers' within the ASEAN countries and India” said Robert Zarrow, Vice President Of Sales, Ecliptek Corporation.
